

2010 TEAMS WITH VOLUNTEER HEAD COACH COST & COMMITMENT SUMMARY – SPRING 2018

2010 Teams with Volunteer Head Coach and Professional Trainer (Teams play 7v7)

Due to changes in the US Soccer calendar, the competitive season is now July through the end of April. Therefore competitive try-outs will take place in May of each season. As recreational teams typically finish their seasons in November we want to have an option for those players to try-out to be part of the competitive program for the spring season.

Our 2010 teams will have a volunteer head coach and will have a 24-7 professional trainer that will train the team twice a week and will also attend games when they can.

Time commitment:

Training will start the week of 5th March and will go twice a week until the week of 7th May (10 weeks). Games will start the weekend of March 10th and will typically be Saturday only, although there may be one or two Sunday games. (8 games total).

Training sessions will be at Canyon Middle School in Castro Valley or Stonebrae Elementary School in Hayward. Travel for games will be local with 4 games taking place in Castro Valley (Home games) and 4 games taking place in the surrounding areas (Away games). (Dublin, Pleasanton, San Ramon, Livermore, Hayward, Oakland are examples of places the away games could be at).

Costs – Spring 2018

League registration cost of \$215

Training cost of \$160, which is divided over 2 monthly payments of \$80 (1st payment in March)

Uniform cost will be \$50

Total cost for the spring season is \$425

These costs can be offset by sponsorships and fundraising.

Next steps

Sign up for try-outs and attend on Saturday February 10th:
