

COMPETITIVE PROGRAM FINANCIAL AID REQUESTS 2010-11 SEASON

March 17, 2010

The Castro Valley Soccer Club continues to grow and improve as it provides a soccer experience for all ages and levels. CVSC wants players to be able to play competitive and recreational soccer in Castro Valley regardless of financial background. Beginning with the 2010-11 season we are introducing a new financial aid program for Competitive Program players. This program is separate from the CVSC Registration Fee Scholarship Program.

This is CVSC's first year offering this financial aid program. Therefore, the Club has limited financial aid resources available and may not be able to satisfy all financial aid requests.

Financial aid will be awarded for those players and families meeting the following criteria:

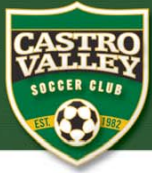

1. Submit a completed financial aid application (pages 2-4 of this document) into the Club office by the submission deadline for your particular age group.
2. Financial aid eligibility: to be eligible to receive CVSC Competitive Program financial aid, the requesting family must meet the required family income amount. Those with annual family income that does not exceed 60% of the median family income in Alameda County are eligible for CVSC Competitive Program financial aid. For 2009 this 60% amount was \$53,580.
3. Commit to being part of the Castro Valley Soccer Club Competitive Program.
4. Commit to a minimum of 15 volunteer hours if awarded financial aid. The Club may request additional hours depending on the amount of the financial aid awarded. Volunteer work could include but is not limited to field preparation/maintenance, field marshal, tournament volunteer and administrative support.
5. As part of the decision-making process, CVSC reserves the right to ask for additional documentation and or information.

If you feel that you meet all of the above criteria, please complete out the attached financial aid application form and send to the following address:
